

HELP A LOCAL STUDENT HAVE A BEARRRRRY SPECIAL SUMMER

WHAT IS THE BEAR BUDDIES CLUB? By joining, you'll cover 100% of the cost of **SPROG** for a local student – your Bear Buddy – who otherwise might not be able to participate this summer.

WHAT IS SPROG? It's a six-week, full-day summer learning program of academics and enrichment activities aimed at helping your Bear Buddy have fun and avoid summer learning loss. Powered by excellent **Horizons National** curriculum, SPROG will help your Bear Buddy improve in reading and math, learn to swim, and gain the skills to start the new school year with confidence. We're asking for a \$2,000 donation to cover the cost for your Bear Buddy for the summer.

HERE'S HOW TO JOIN:

- Simply fill out the cards below and mail them to us, along with your donation.
- Or, you can contact our Director, Angela Brooks, at (314) 821-3477 or e-mail sprog.inquiries@gmail.com, and we'll help get you started.
- Sprog will match you with your Bear Buddy, who will receive a teddy bear gift with your special "Take Care of This Bear" message attached (see below).
- You will receive periodic updates about your Bear Buddy's experience at SPROG, and make a BEARRRRY positive impact!
